“ *I had the honor of growing up with the Penn boys on Independence Avenue. I was then a neighbor of Norman's sons at 4040 East Capitol Street. I am blessed to have been a part of the Penn family and it continues. RIP Norman Penn, Sr.*

“ One of most fondest memories of Norman was about 35 yrs ago. My children who are now 38 and 40 yrs old were 2 and 4 at the time. I was at a (postal) doctor's office with them where the doctor refused to see me because I had no one to watch them . As I was leaving with tears in my eyes because we had caught a cab to the doctors. Norman appeared, who unbeknown to me also had an appointment with the same doctor, and he offered to watch my children during my exam. And he gave us a ride home. That act of kindness saved the day for me! Just wanted to share that grateful memory.

Dot as you know Norman Always supported me in all I did. We wrote songs together and shared many ideas. Came to see me sing and attended events I had in the old neighborhood. He was crazy about JP and we both saw him develop from his days at Kettering though high School.I used to tease him by telling him he helped me prepare for JP when I was at Glenarden. He was indeed a family man. I will miss him so much.U will never forget'Lovers Again" or "Tell Me What to Do" Love Always John Bo Sharpe HALO and the Intruders

“ Norman was a very friendly person, who was dedicated to his wife Dot and children. He had a great sense of humor and loved to joke. We had some good times working together. My sincere sympathy to Dot, his children, and grandchildren. May God keep, comfort, and strengthen you and shower you with much love. And know that Norman always doted lovingly on all of you!
