“ *It is with great Sadness of the lost of Norval, he was a kind and generous person, taking care of family and Friends. A Korean war soldier. who gave to his country in many ways. To the family my deepest sympathy go out to you as I know his death has left a void. I know that God will fill the void with sweet memories of the dear departed as there are many good memories for us all. May the Joy of his memories comfort you during this time. You are in my prayers always.*
