“ My Father , My Hero , My Teacher gained his ✨Wingz✨. His voice and all the handz on experiences forever echo in my mindz eye. He grew up like most from the south in a small town picked cotton and pulled ice a country mile in Arkadelphia Arkansas. And shortly after experiencing the murder of his Father told Gran Ma Cecelia he wuz joining the Air Force. And that began a whole new journey in this thing we call life. From America to England Japan Germany and Korea and back home again he met wonderful people and his bright smile alwayz welcoming and character alwayz assisting evidence of the shoe box of photos of his many travelz. His favorite hobby wuz hunting fishing and crabbing. He wuz a decent baseball tennis and ping pong player. He loved his Miller Beer and wuz a hardcore Redskin fan. He loved his Redd Foxx and Moms Mabley albumz. He shuffled dem 45z on Saturday nights. He had a large collection of DC and Marvel comic collection as well az the Louis L`Mour western paperbacks. He loved his wife , the mother who raised me he loved me his grand and great grand star seedz and he loved all of you who ever met him even in passing. He wuz a letter carrier for 25 yrz and if he wuznt fishing he wuz shooting pool or playing cardz after work in the parking lot @ Brentsville or in the yard of one of his soul family from his route in Northeast. They knew him az Speedy or the Panther and he will be missed but never forgotten. - He said tell everyone I luv them and to take gud care of yourselves ✨. #TeamKeystone #OliverLee #Brother #From #CaddoStreet #CaddoIndian
