“ Hi,

I known for over 30 plus years and he has been a family to me and my family we always consider him as being in my family. He loved to play cards and thats what we use to do all day and all night he use to say this was his part-time job because that is what he enjoyed with me and my family. He was a given peson and loved to have fun and laugh all the time. He will truly be missed by the Taylor family and will always be in our hearts.
