

Ms Pamela Michelle Williams

November 19, 1965 - September 8, 2020

Pamela Michelle Williams was born on November 19 1965 to the late Juanita and Rodney Williams. She departed her earthly dwelling for her heavenly home on September 8 2020. Pamela attended the Catholic Churches of Incarnation and Mount Calvary in Prince Georges County, Maryland.

Family was important to Pam. She truly enjoyed and shared in many special holidays and cook out gathering. Other of her past time pleasures were texting, playing the game, "Thuglife" online, face booking and talking/sharing love with her relatives and friends. Her visits with them were memorable to her. Aside from her studies, her college life including both male and female friends rated high on her list of favorites. Without any doubt, he AKA sorors stand second to none. To say that they are her friends is to say the least. Pam loved, appreciated, was inspired by and adopted them as her family. The joy and love that she received from them is noteworthy. During some of her best times, they were there and during some of her darkest times, they were also. They would step in to help comfort, entertain, and share her pain at times when family members or others were unable to be with her. Pam's presence and gentle spirit was a blessing to those who knew her. Her smile and cheery, "What's Up? weas transcended by the warm heart that she possessed. Her simplicity and kindness and service to others in our work and in our world. This is how we will pledge to her alive!

“ Me and Ms. Williams always made time to speak to each other while at work. Before she left to go home in the afternoon she would come by my room and say Derrick I see you tomorrow. We share stories about how we both had to take radiation treatments and how it made us feel, but we both would keep on pushing everyday. I will miss those talks and those goodbye's in the afternoon. Rest my friend and hope to see in that great getting up morning. Love ya.

“ It was such a pleasure to have met and work with Ms. Williams for the last 3 years. Such a gentle spirited person. I am glad that God allowed me to share the last year of her life talking and laughing, praying and sharing thoughts with her. It saddens me that she is gone, but God saw it fit to add another angel to His garden, and we know that she will be watching over us. May her soul Rest in Peace, and my prayers are with the entire family. God bless.
