“ Parrish, it was a great honor and a privilege to have been your wife of nearly 20 years. I am glad that we were able to spend that time together and if I had to do it all over again, I would spend that same time with you. Most people can only dream of a marriage commitment that contained a love such as ours. You were definitely a gift from the Lord who was lent to me for what seems like only a brief moment in time. I am sad that you are gone; however, I am glad that you are know truly and finally free. You are now able to be free and rest in peace from all the strains, struggles, and pains that can occur within the human body and that can occur in life in general.

I love you, God bless you, be free, and enjoy eternity, because you deserve it!

“ Parrish was a great all around guy. I enjoyed the times that we worked together and the deep conversations concerning the advances of information technology in the work place and for entertainment. I miss him greatly and wish God's blessings and peace during this time.
