“ *To the family of Pat Alston: Pat and I go back a long way from the first church I served as Nurse at Greater New Hope in Washington DC. Pat was the most dedicated person I have ever had the pleasure of working with. She was so kind and gentle. She was there for me always when we had to serve. I will truly miss her. My prayers go out to the family because you have lost a great person that loved to give and serve.*

I will keep praying for this family that will surely miss her, God has called her home. She is now with the Lord. No more sickness, no more sorrow.
