“ *Pat, as Kathy and I knew her was the epitome of what a big sister should be. Sharing her love and caring for her family and friends. We had the privilege of calling Mrs Cherry a friend. Fly with the angels Pat. Kenneth & Kathy Adams*

“ *Patricia Ann Cherry was the oldest of four siblings, Marjorie Jenkins, Reginald and Nathaniel Crews parented my a single mother. Pat was a self appointed second in command of our mother which did not go over well with her sister and brothers but we accepted. She really enjoyed attending local jazz concerts and plays at the Arena stage in Washington DC and she traveled with friends to North Carolina to see a weekend of plays. She loved her responsibilities as a Deacon of Shiloh Baptist Church.*

Love you forever,

Nathaniel Crews
