“ Charles, Desyria and I are praying for you and your family during these times of bereavement. Pat was special to all of us but I think that you already knew that. She boasted about you taking such excellent care of her. Anything that she wanted, all she had to do was breathe it and you made it happen especially her desire for good food. Pat served on the usher board with the Desyria and always displayed that infectious spirit with her everlasting effervescent smile. She made you smile and laugh when you never expected to. This was so evident when Desyria and I visited her. We arrived at her home on a Sunday afternoon thinking that we would simply stop by for a few minutes. Approximately two hours later we were still there as she had us looking through photos and listening to stories. She made it seem that we had known her all of her life. It was tough to leave but I'm sure that others could share similar memories. As long as you have those, she will forever live in your heart and mind. We will totally miss the marching usher of Greater Mt. Nebo.

“ To the Family - I am so sorry to hear about the passing of Pat. She was a beautiful person with such a sweet spirit. She was a true asset to our Usher Board at Greater Mt. Nebo AME Church. She loved to march and boy could she march! She always had a smile on her face and she will be truly missed. May God's love and sweet memories give all of you the strength, love, comfort, and peace you need at this time. You are in my prayers.

She has been an inspiration to me and her memory will forever remain in my heart. Praise the Lord for the hope that we have of seeing our loved ones again. Sister Pat was an open and receptive sister and servant. She always had a pleasant disposition as she ushered in the church. She also had a youthful appearance so I did not know that her son was her son. I pray that God will comfort him and the family. May she rest in peace. 🙏🙏🙏❤️

Pat was a true dedicated and faithful member of the Greater Mt. Nebo Usher Ministry. We served together many times and Pat was always fun! When there was no Alcolyte, she enjoyed putting the candles out after service. Pat was a true joy! We traveled to other churches to help them celebrate their Usher Anniversaries and Pat loved marching! We had a ball!

She is now serving the all the Heavenly Ushers!

I loved Pat and her great stories and I'm going to miss her terribly.

May God provide comfort for the family.
