

Princetta Green-Williams

October 27, 1957 - October 19, 2021

To those closest to her, Princetta was a loving and supportive wife, mother, sister, daughter and friend. She was devoted to her family, and would give anything but her last cigarette to anyone in need of a hand. Truly anointed with a cool calm maternal instinct, throughout her family and friend circle, she could take any “crisis” situation and restore order with her practical, loving and never judging nature. She always made time to listen, encourage and reassure you that all would be alright. So effortlessly interjecting her advice whether solicited or not. If she didn’t have the answers, better believe she would search high and low until your problems were solved, which solidified her as a rock to the family.

Princetta was born on October 27, 1957 to Channie & Hayward Green. She grew up in the Bronx, NY where her parents worked as a roofer and seamstress at the Imperial Coat Front Company. Princetta was Channie’s ‘righthand’. She was a protective and loving sibling who embraced the ‘momma-sister’ role with ease. At the age of 18, she relocated to Washington, DC and proudly served in the United States Air Force as a Chapel Administrator.

After her military service, while working at the Cambridge Apartments in DC, she met the love of her life Robert

E. Williams. Robert would go on to charm and woo her into what would become a 35-year union. The two were wed in the spring of 1986. They purchased their first home and planted roots in Forestville, MD. Soon after, their family of four became complete with the addition of their babygirl Candace "Missy" in 1988. Princetta and Robert made sure that Sucora "Abbey", Robert "Chuck" and Candace grew up loving each other and visiting as much as possible in their early years. Princetta spent her years raising and pouring into her Missy, serving her community, and introducing as many people as she could to the wonderful world of couponing and boardgames. Despite being diagnosed with stage IV colon cancer in the summer of 2015, she never reflected what she was going through. With her Lord by her side and her perseverance she went on strong and determined to live a life filled with purpose and an abundance of love. She enjoyed frequent travel to New York, North Carolina and South Carolina to visit family, and the occasional cruise with her Missy. She and Robert had plans to travel and explore the US one road trip at a time, but God had another plan. Princetta surrendered all to her Lord Tuesday, October 19, 2021, at the age of 63. Princetta was preceded in death by her father Roosevelt "Hayward" Green and brother Bruce Green. She will be sorely missed and survived by her husband Robert E. Williams, daughter Candace Williams, step-daughter Sucora (Derrick) Anderson, step-son Robert "Chuck" Williams, Jr., surrogate daughter Ashley Garrison, mother Channie Coker, siblings William (Gloria) Walters, Laura (Brett) Johnson, Catherine "Cookie" Williams, Hazel Green,

Andre Green, Marshall Sidney Green and Morningstar Davis. Her memory will be cherished by a host of aunts, uncles, nieces, nephews, cousins and friends.

“ *To my family, please except my heartfelt condolences. I will truly miss Princetta. I remember all the great family dinners, Princetta loved my mother's coleslaw, dancing in my room, having fun at Rye Playland in the summer. Praying that the awesome God we serve will strengthen and comfort you as you go through this difficult time. Love you, cousin Gwen Gibson-Miller*

“ *Cousin, although it has been years since we've seen or spoken, I remember that as young girls, you were, indeed, that wise one amongst all the siblings and cousins. I am so elated that you had a relationship with God the Father. I am thankful that you will experience no more pain in this present world and that God has taken you on to a greater and more joyous GLORY that the rest of us (for now) can't even begin to imagine or understand.*

*With love always for you and your family,
Your godfather Johnny Williams and cousin Shirley Williams-Zackery*

“ We had a conversation in Richmond this year that was so liberating, inspiring, and real. I’m so thankful and honored that I was given the opportunity to share that special moment with her. The perspective on life and your loved ones become so different as you mature into an adult and I’m just glad that my everlasting perspective of her was that of resilience.

“ I was truly saddened to hear of the loss of Princetta. She was a wonderful neighbor for over 20 years. It was a blessing to watch her and Candace through the years feed the homeless. And, she brought Christmas gifts before she even started to know me and my family. She was a real blessing to know as a person. We will miss her smile.
