“ To the Farmer Family, It is with great sadness that I must offer you my condolences and sympathy. I met and came to know Randy via family marriage (Shirley Lyons Farmer). I found him to be a quite, sweet, still-spirited man who was devoted to family. I also had the pleasure to spend several holidays with him as family AND to enjoy his BBQ Turkey.

I will forever cherish his memory with fondness. I pray that his love will forever bind his loved ones heart-to-heart and I pray that God's peace that is above all our understanding abide with you all now and forevermore.

Peace and Blessings, Vee Jackson
