“ *Aunt Becky, I love you so much you were the one that believed in me and my dream. So, you sowed a seed in my life and brought me my first typewriter. You trusted that I, would succeed and I did by first, getting my bachelor then my Masters and now my Paralegal Certification.*

*Now I've started my own Business. But, the seed you sowed was much more than a typewriter. It was all the LOVE you shared, all the DISCIPLINE you gave and all the UNDERSTANDING you provided. Aunt Becky, Mama, Mentor I LOVE YOU!!!!!!!!!!!!*

*A Poem from a Daughter to her Mother!*

*The visions in my creative mind are showing me fond love,  
it's happening in heaven with the gathering going on.  
My mother, father, and my brother embraced in Jesus arms, welcoming  
this reunion there's a party 🎉 going on.*

*Old neighbors, friends and family, rejoicing and praising God!  
Heavens rocking, stumping and jumping there's a rejoicing going on!*

*What a wonderful feeling it must be, when your head can only nod..  
When Jesus calls, and our Spirits are set free to touch the face of God*
