“ *I want to express my sorrow over the loss of your loved one. Losing a loved one is very difficult for family members. Thankfully the Bible offers comfort from GODS words in the Bible. GOD promises us that soon "death will be no more. You can read those words of comfort @ Revelation 21:3-4 and John 5:28,29.*

“ I guess Jesus wanted a dirt bike riding buddy. Well, he picked a good man to ride with.

Gods speed old friend.

“ Ricky will never be forgotten; the love he showed his mother and father and his siblings; the wonderful way he loved and taught his daughters what they needed to carry on; the good times with his nieces and nephews; and the many other lives he influenced with his warmth and kindness ... for such a short time, it was a life well lived. Rest in peace, my nephew.

“ GOD saw fit to take all of your pains away & deliver you from illness Rick. It's been very difficult seeing my brother having to cope with not being able to pick up the phone & call you. You were his best friend and brother since the sandbox years. I know that you'll be watching over him & all your loved ones from the heavens as they struggle to find peace in knowing that you suffer no more. Rest in Eternal Peace my Brother From Another Mother & know that you are loved & missed.

“ *I was fortunate enough to be referred to as friend, Bro, Barney Rubble, Middle aged white man or whatever name he came up with that day. Ricco was a friend in the truest sense. Someone you would want to go to battle with because you knew he had your back. I was lucky enough to work with him, shoot the sh@t with him. Ricco told me many times how much he enjoyed working in the NOC, he enjoyed being a part of a team. In his meat eating days he would bring in BBQ and we would have a feast. Thanks to Kisha that is how I got the nickname Barney Rubble. She told him I can see you two eating BBQ, you and Barney Rubble. Later he would tell me that story over and over and laugh his a\$\$ off (I think it was the meds talking). After he stopped eating meat it turned to Sushi. I spoke to him a few weeks ago and we were suppose to go and get Sushi for lunch unfortunately that never happened. Ricco always showed a tough exterior but he was one nicest most sincere people I have ever met. You will be missed my friend!*
