“ I have so many precious memories of my sweet Daddy. When dad would come to visit me in San Antonio Texas, we always enjoyed spending time together, talking, watching our favorite shows together, praying, and going out to eat especially Denny's. My Dad was a quiet man but a man after God's own heart and loved to sing and told us to keep the faith, pray, and trust God. Dad always took care of his family and others but when Dad came to visit, he didn't have to take care of anyone but I was honored to take care of him! Even at the end my Dad still kept the faith, and never complained during his pain. Daddy, you are my hero and best friend and I will always cherish the times we spent together. Apart of me is gone when you left but I know you are with the Lord and Momma!!! Your legacy will live on in your children, grandchildren, sister, nieces, nephews, family friends, and all those that crossed your path! I will see you again one day my sweet Daddy!!! Love you!!! Love, Your Baby daughter
