“ Regina handled my personnel file at USAID. Since my name is also Regina, we enjoyed calling each other queen.

“ Regina was my first friend and mentor when I joined USAID in 1981. She held my hand and showed me the ropes when I was a GS recruit in Human Resources; and, she endured my panic attacks when I converted to the Foreign Service and needed her expertise to process travel orders or other bureaucratic documents related to my assignments. I can still hear her exasperated voice saying, "Pati, now calm down!" And, "It just takes time to go through the system, but it will be done **IN TIME!**" Truly it wasn't easy to believe her assurances as I looked at all the personnel folders of other employees piled almost to the sky on her desk, but she never once let me down!

*As the years/decades passed our friendship and sisterhood in Christ grew deeper and deeper. I fondly remember enjoying each other's company for hours as I braided dear Keisha's hair.*

*I will always remember Regina as a hard-working and committed colleague and a bright and caring spirit. I will miss her as I wait to see her beautiful smile and twinkling eyes again in Paradise.*

*I love you, Regina!*

“ A wonderful loving friend to our family will be truly missed Regina "Jenny". I remember Jenny growing up with LaVorne and Brother playing in the neighborhood in SE DC at Aunt Inez's house, when i came to visit. Aunt Inez always thought Jenny as being one of her own as well. I also enjoyed Jenny's conversation. Kesha let us stay in contact. Time does not stand still. It just speeds up! Deborah
