“ To Chris and the family of Regina Odom, I pray for peace, and the comfort of God to dwell with you all at this difficult time. I met Regina in membership training; and grew to sincerely like her. All my prayers are with you Chris and the entire family.

Regina, yesterday was a hard day for all of us who knew and loved you. I'd want you to know that many of your our friends who were like family from "Horseshoe" where we grew up was present to bid you a proper farewell. We laughed and we cried as we reminisced. As your lifelong friend, I am going to miss you dearly, cherish the sweet memories and praise the Lord that you are not suffering anymore. Your BFF Charlene! Until we meet again.
