“ *My Uncle Reggie! Not by blood but by love... As far back as I can remember he was always there for some type of comfort... After my father passed when I was very young, I always looked forward to his visits or visiting him... He would hug, tickle and chase me around the yard. When I got older, he fussed at me and showed me some hard love... He will always have a special place in my heart and plenty of memories!*

“ *Janet....there are no words. I will hold in my heart and memory Reggie's smile and dapper appearance...and the way you light up when you talk about him. Though these days may be sad and painful, we know that God brings comfort along the way. Holding you all in love and light.*
