“ My #1 niece, "Renesalspray". I made a special name for her when she was 6 months old. She knew that when I called her that I was saying I love you unconditionally. When I sang her song she would start bouncing on my knee. And laughing hysterically. That was the Peaches I still carry in my heart. I miss you so much 😭

“ There is no one like René and she made sure of it. Her spirit, her love for her family and friends and all the time she gave to help her community made her one of a kind. She made everyone feel welcomed, loved and appreciated. I never got to meet her in person but it never mattered because her love and friendship had no boundaries. My sincerest condolences to her amazing kids, parents and her tribe of misfits that she befriended and made feel like they belong. She will be dearly missed and never forgotten. Sending hugs and love to you all during this time.
