My grandma was the most loving person I could ever speak to. She was like a second mommy to me and I'm going to miss her with all my heart. The day I received the message about grandma , all I could think about was her beautiful smile and charming heart. She is still with us, she tells me good morning every morning and tells me good night. I hope everyone is ok and that you all pray about this loss! Love everybody lots!

“ Prayers for and condolences to the family....I had been asking about Papoose for over a year and then I saw her at the funeral of Aunt Bettie's son (James Johnson). I was so-o-o thrilled. We spoke and reminisced for a little while. I couldn't recall exactly how we were related....I just remember her coming "to the country" with Minnie. And I remembered that thick braid down her back. I lift the family in prayer and know that God hears. We laughed about our nicknames "Papoose" & "Chee-Chee".

“ *Ma made the best food. Lol She was known for putting me to sleep
evvveerrryyy Sunday after dinner. I remember when Daisha was a
toddler she used to call Ma "Big Momma." Ridley was "Big Daddy."
Mom said heeeeyyyy I don't know if I like this big momma name. lol.
but that changed when Jojo was born. She was Grandma and
Ridley became Pop-Pop. Mom loved her family with all of her being.
You never had to wonder if... Ma we miss you so so much and we

Renee (Papoose) was the first child of our cousin Doris. I (Butch) was 11 years old when she was born, and I remember how beautiful she was. At various points in our lives we lived in the same household. We were more like brothers and sisters, rather than cousins. Her life was a testament to love of family and God. May the Lord our God receive her into His loving arms. We extend our love and prayers to the family. May God Bless you all and keep you and give you peace.

“ *Renee and I met at WMATA, where we were employed, as young vibrant women. We connected immediately and soon become as sisters. I met her family and she met mine. She was such a sweet, soft spoken and genuinely kind person. We become so close you would've thought that we were real blood family. Unfortunately, over the years we loss contact but this did not stop the fund memories of my little sister. I often wondered of her whereabouts. Then one day many years later I had the good fortune of meeting her sister, Victoria at a program I chaired. I didn't totally recognize her at first but when she jogged my memory, I couldn't help but cry because I had found my friends again.*

God did allow us sometime together and I thank Him so much for that! Family, I wish so much that I could be there with you all. But, we're in some perilous times. Just know you all are in my heart and you have my deepest sympathy. May God grant you the peace and understanding during this sorrowful time.

Renee, my little sister/friend, rest in God's Heavenly peace until we meet again. I love you.
