“ I am so sad to learn only just now that Rhoda has died. She & Henry were wonderful friends of mine in Zurich. She gave me two paintings which have carried literally around the world with me. I am so sorry I have not got back to seeking her out until now. too late of course !!!

One painting is of Santorini (where I went with her, Henry, her kids & a lover of mine one summer).

2nd is of my apartment building in the Neiderdorf in Zurich where I lived for many years. Oh, she was wonderful. why did I not get back to her sooner !!!
