“ *I had the honor of working with Ricardo for a few years at Navy Federal, and although I hadn't seen him in several years since I work in a different area now, my memories of him are very dear. Ricardo was one of the nicest people I've worked with. He always had a smile on his face, and never had a bad thing to say about anyone.*

He always went out of his way to help someone in need, like when he drove round trip from Navy Federal to Stafford during a blizzard to drive a coworker to and from work safely.

He will be greatly missed by everyone here that knew him.

I pray that God will give the family strength and comfort during their time of mourning.

“ So sorry that we are unable to be with you all during this most difficult time...may it help in some small way to know that we are praying that our Lord and Savior Jesus Christ gives you His sustaining strenght today and even more in the days to come... Will always remember that affable, outgoing personality of his.

“ Everyone has their own special “Ricardo-ism” that puts a smile on our face. One of my favorites is how he would see my come in to work and he would grin from ear to ear, then say, “You know, I still love you!” Throughout the 20 years of working together, of good and bad, laughter and frustration, he was always my Ricardo and always will be. RIP

“ *I met Ricardo 12yrs ago and all I can think was what an odd man. You have no choice but to love Ricardo, he was honest, defiant and a very vocal and ambitious person. I will miss his raspy loud calls coming from the halls of NFCU. Working with him was a true pleasure and I will miss his diagnosis of every sickness, he had a remedy for everything. Rest In Peace Ricky Ricardo!! 🙏🙏*

“ *I have worked with Ricardo for the last 20 years, at NFCU. He brought me many years of joy and laughter. Ricardo was my mentor my brother. He gave his time and energy to teach me many things and helped me build my very first computer. Only a heart as dear as Ricardo's would give so unselfishly. Ricardo was someone special always such a joy to know he will be forever in my heart.*

“ Ricardo will surely be missed. He left an impression like no other could. He had a very unique way with words and often ended conversations with a laughter. Nights at NFCU will forever be a little quieter, missing Ricardo's voice and laughter.
