*Marsha, Terry and Tierra you are in my prayers and have my condolences.*

*To my other son Tee. You, Tierra, Marsha and Terry were my other family next door. You and your sister grew up with my son Antione. You all played together, you spent nights here, we cooked dinners and went on outings together and took care of each other's animals. You were liken as my second family.*

*Tee, you left for a while and I didn't see you much, but God prayers aren't in vain.*

*He always kept me praying for you in my heart. You know when prayers go up, blessing will surely come down. Tee, you got your blessings because I got mine. You see, I believe your in heaven with the Lord because I can remember praying with you and my son when you were 10yrs old. I believe you accepted Christ and God answered the call. So all I have to say now is thank you Lord for blessing me to know you as a son and your sister as a daughter your mom as my sister father as a brother. Antione, I and the animals will miss you.*

*Love you my child. We'll see each other some day again good bye. 🙏*

*Ms. Ella and Antione, your neighbors*
