“ *Dr. Rita Robinson was an elegant lady of distinction. She was a most patient, understanding and compassionate person that made an eternal impression in my life. I have and always will, reflect on how she brought an entire school staff together in love and concern for each other. Although I now live in NC, I was honored to be able to attend her service of departure from this earthly life. The service was indeed a tribute to the legacy she left behind. She will be greatly missed. My prayers and thoughts to the family.*
