

Robert Lee Fletcher

February 7, 1956 - January 2, 2023

Robert (Sunny) Lee Fletcher departed this earthly life peacefully at his residence on Monday, January 2, 2023, at the age of 66. Robert was born to the union of the late Eartha Lee Green-Fletcher and James Lee Fletcher, on February 7, 1956, in Washington DC.

Robert accepted the Lord and Savior Jesus Christ at an early age. Robert received his formal education in the District of Columbia Public School System where he graduated from in 1972. After graduation, he started working at D.C. General Hospital as a lab technician. He later accepted a position with Georgetown Hospital as a lab technician and held this position until he resigned due to his health. Despite his disability, his spirit was full of life, gratefulness and appreciation to be able to spend time with his family and friends. He never lost his will to live or his sense of humor.

Robert was a very family-oriented person that enjoyed social gatherings and spending the holidays with his loved ones. He loved nothing more than spending time with his family and friends. His greatest joy in life was being a devoted father and grandfather. He taught his children integrity, accountability, and to stand tall and be proud of themselves in all situations. Robert supported his children throughout their accomplishments and life challenges. He was always there to reassure them and provide positive affirmations. He looked forward to spending quality time with his children and grandchildren and always cherished his time with them.

Robert loved to dress nice and wear cologne. A couple of his most favorite

colognes were Calvin Klein and Yves Saint Laurent. Robert always needed a nice watch to match his outfits too. He enjoyed watching a variety of sporting events. Football was his all-time favorite.
