“ *Mr. Robert loved his family and his burgers! He also loved that black cat. He was a very strong man who did not let the battles of life weigh him down. He cared so much for his wife Mrs. Agnes. I am always saddened when my elderlies pass but I know they are in a better place and no longer suffering!*

“ *Dear Family: May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss. It was indeed a surprise and great chatting with Robert briefly in front of the church a few weeks ago. Little did we know that would be the last time we would be able to do so...a sort of informal farewell until we meet again. He will be sorely missed as a Kollaborators Fellowship Club member and long-time friend.*
