Thank you Ovell - Rob and I go back more than 20yrs. We worked together ar DOC and became very close friends. I will miss him dearly - He was the true meaning of what a friend and brother is all about. Many good times we shared, as we both appreciated similar things that life had to offer. The pain of his passing will definitely be with me for long time. My condolences to as well Ovell - my prayers are with you and your family. :-)
