“ *I'm Robert Neely the third!!! My father was very special to me!! He instilled in me to be a hard worker no matter what the situation is!!! I really wish he would've left a will because being his first & only blood son I was left with little of nothing & have to deal with day to day wondering if he left me or my brother(his stepchild) anything but know that his extended family from his second marriage has everything & is saying that I would have to wait until my step mom & her daughter's wound up with it all!! I still love my father regardless!!!!*

“ *My dad had a big heart and would help anybody. He might fuss at you first but he was always coming from a very genuine place. He was the best dad around and I miss him every single day. Rest well Dad! I love you...Pam! Also known as the dumbest smart person you know!! :)*
