“ *We were deeply saddened to hear of the passing of Robert "Butch" as I have known him for over 50 years., a wonderful brother in law to my sister Phyllis. He always seemed to have an easy going manner, and was there when family needed him, even in the midst of his own health challenges. Know that weeping may endure for a while, but joy will surely come as you cherish the memories of the time you had with him on earth. Peace and Comfort to you all.*

“ *My friend, my buddy, I'm going to miss you. Bob has been in my line dance class for more than 10 years. Bob loved his coffee and his line dance family, we always had a ball in class. I'm going to miss you my friend ,but thank you for all the fun times we had, and all the places and events we did together. Now Mr, Coffee man, no more pain, Rest In Peace, you will always remain in our hearts.*

“ I recently met Bob when I joined the bowling group and had the opportunity to share a few times with him. He and Sandy were great people to be around, low key, sharing , caring and very loving. I was amazed by his great dancing skills; so smooth!! I am sorry that I didn't get to know him better. My prayers go out to the family and friends of his because I know that they will truly miss him.

“ I remember Bob as a great line dancer and a wonderful person. He faithfully came to my linedance class at St. Joseph's Catholic Church and he was always entertaining. Years later, it was always a pleasure to see him and I will forever hold those linedance memories with Bob in my heart! 🙏✝️
