“ Dear Uncle,

I find myself missing your warm smile, your love for music, and your boundless generosity more than I could ever express. You are always on my mind, and I often wonder who will pick me up from Union Station now? lol. Your presence brought so much joy to my life.

Your great nephew sharing a birthday with you gives me a sense of peace, yet I can't help but feel a profound emptiness in my heart from your absence. I want you to know that I intend to honor your legacy of kindness and generosity by extending that same compassion to those who truly deserve it.

*I will love you forever and a day! one of your many nieces . -
