“ *Good morning family. Unfortunately, I cannot physically be there with you but my thoughts and prayers are continuing. This is such a heart wrenching and sad time for us. As Ganny has transitioned, I pray we understand that to be absent from the body is to be present with the Lord. I'm praying peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your heart. RIP cuz.*

“ *I know not the words to speak. You all are and will continue to be in my prayers. My heart cries with you and I smile knowing the wonderful man that your dad was. He will always be my cool uncle. Stay close with each other and live each day to the full. My love to each of you. Theresa*

“ *To the children, of my brother, Robert Temoney*

Sometimes it feels impossible to believe that the lord is good to those whose hope is in him, to the one that seeks him. Especially when we dont see an end to our suffering. But we can cry out to him, trust that He hears us, and that He will be faithful to see us thru. Herbert Temoney
