“ *I remember holiday time growing up. Back in the day, holiday visiting was very formal and Robert was a very polite cousin . Robert was a kind and compassionate person and a hard working family man.---Crystal Taylor-Davis*

“ *When I heard of Robert's passing, I was really shocked. He had been on my mind for a couple of days. Before I retired, I use to call him whenever I saw one of those small postal mail trucks that he use to drive, just to say, "Hello". I had stopped because I did not drive into DC any longer. Ebenezer AME Church, Kingmen's choir and the Manhood Rights of Passage is where we met. I even went with him as support for his hand dance class.*
