“ *Bob,*

We are so grateful for the many fishing and family trips. Thank you for being one of our family chauffeurs. I believe you now resting in the arms of our Lord. Although you are no longer with us, your lineage will continue on through your grandchild who we will welcome into the family-fold soon. You will surely be an angel watching over your precious grandchild.

Family,

May the love and support of those closest to you provide comfort and peace to get you through the days ahead. I pray that the memories of Bob's love will bring you comfort now and forever. Bob was loved by many - he is not where you we would like for him to be, but he will always be in our hearts. Nothing is more painful in life as the separation of a jewel. Time passes, but the pain in our hearts and the tears in our eyes remains the same as when our beloved Bob went on the heaven to be with our Lord. Only faith in God will fill the void left by the loss of our dear Bob.
