“ *What a lady!! Kind, considerate, funny, helpful, loving, mother, sister, friend, aunt, cousin, and most of all Godly. You will be missed but all of us have many memories we will carry in our hearts about you always. I know that God welcomed you with open arms and your family will have comfort in knowing you are at peace. Please know that your entire family are in our prayers for comfort and strength as you go through this difficult time.*

I called her Berta and she was a wonderful person as my coworker and friend at EPA. I will always remember her with her beautiful smile, positive attitude and hard work. I am happy to know she is in God's loving hands. My God Bless the family she loved so much. L2U Sylvia
