“ *She called me Shirley. I called her Elvis.*

*She had a beautiful smile that could light up your world. At first you would think her cynical, but you would come to know that she wore her heart on her sleeve for everyone to see. She was a DAUGHTER who still grieved for her mother. Robin was a loyal, loving and protective SISTER. She was an AUNT, a COUSIN, a NIECE, a BIG MOMMA and a FRIEND. An Awesome pool player and an avid follower of tennis; she loved watching Venus and Serena play. Robin had a great sense of humor and an infectious laugh so when she laughed even if you didn't want to you would laugh with her.*

*She cried at commercials especially the one for ASPCA. The other day when she answered the phone, the commercial was on so I asked her if she was crying, she laughed and said "not yet".*

*Robin was a one of a kind and definitely irreplaceable. I will forever cherish each and every day that I was blessed to have been a part of her life. In my heart she will always live.*

*It is so hard for me to let go and say Rest in Peace baby, but because I love you..I do.*

*Rest In Peace Baby
