“ "Rock please know that you were & will always be loved". Everyone who knew you spoke very highly of your insightfulness, intellect, honesty as well as your respectful nature. I know firsthand how you were raised. So, in closing, nephew RIP busy hands has been put to rest, absence from the body means presence with the Lord! Amen. Much Love Always, Your Aunt Georgie....

Rock ,still can't Believe you're gone. Enjoyed working with you and hanging out. Such a humble young man. But God needed another Angel and that you were. I will always cherish my retirement letter you wrote. Til we meet again. ❤️💙💜
