“ *My sincere condolences to the family. Romain was such a blessing to me and a friend to many. I worked with Romain early in my federal career at the Federal Maritime Commission as a Secretary for the office of Domestic Regulations. Romain was the Secretary to the Director and I was the Secretary to the Chief of Terminal Operations. Romain took me under her wings and taught me everything a big sister and mentee should know about my job. The values that she inspired and planted in my life not only afforded me to grow professionally but help to shape my entire life as a women. The wisdom Romain, Elenor and Bessie shared, blessed my life and I will forever be grateful. ❤️ Thank you for sharing Romain with us. 🌹 Debbie Walker-Coker*
