“ Hello Aunt Louise ,I know I didn't get to see you much as an adult but that doesn't stop the beautiful memories I have of you. It's so many times I can say you made me crack up laughing. It was a time we was at my mom house cooking crabs and one fell on the floor .. my brother Kyron tried to beat you out the kitchen running boy oh boy did you let him have it in the funniest way ever lol ! I mean we all laughed for hours about it even you did! Thank you for so many great weekends when you would visit my mom Karen and grandma Channey. Every time I would see you, you'd be dressed head to toe fly! Hair always looking good! Thank you for all the fun cook-outs and keeping the family together. Rest in heaven and I know your one of the best dressed angels up there!! I love you always .

“ Hey ma, I remember when I join the Army in 1984 and you thought I was crazy especially when I started jumping out of airplanes as a Paratroopers. I'll never forget how proud you were when I retired after servicing 21 years. I thank you for the retirement party you put together at Walter Reed. My leaders in the military use to say that I was an excellent soldier and I would always respond by saying I have excellent parents. I'll always love and miss you.

Your son,  
Renaldo
