“ *My Dear Ronald its me baby sis Sabrina Wow I cant believe you are gone. Im at a loss for words we just spoke on the phone little did I know that would be our last conversation only God can help us through this process. We shared so much still cant believe you are gone only to be in my heart always. Im so glad I have a Heavenly Father I can pray too and tell Him how I feel. I can weep it all out knowing that God bottles all our tears and pour our tears over our head like sweet oil in Heaven. I will hold onto the great memories
Brother Ronald*
