“ I’m glad we got to know each other. I just wish we had more time. Time slips away and you mean to say something but then you just have memories. Thank you for being there for me when you did.

“ Sending condolences to the family. I met Ron in the 70’s when he worked at post office in L’efant Plaza. We often did lunch together. He took many pictures of me and my daughter however most were destroyed in a fire. I tried unsuccessfully to reconnect with him for years. James 4:14 Life is but a whisper May he continue to rest in heavenly peace.
