"By Faith Not By Sight"

*In waking I give thanks
In what's not known
I have to trust, My Father
That yesterday's pain is gone
For you've given me this day
For me to rejoice
To faithfully follow
To willingly hear your voice
For trials will come sometimes
And burdens I'll have to bare
But you promised me father
To always be there
So I'm standing on that promise
No matter what I go through
And just in case I stumble
I'm depending on you*

*For you hold the master plan
And your path is always right
So today I'm embarking
By faith and not by sight

“ Ronald will forever be a light in my life. I got married on his birthday so that I would always remember him. While you climb that stairway to heaven, know that a host of angels will be there to excitedly greet you. Well done, Ronald. God will forever be grateful for the holy man you became. Love, Aunt Elaine
