“ *Bunny, Mike and I just found out today about Willie’s passing. We’re so sorry we weren’t there for you. I knew your husband from SEH before I knew my own husband from the same place, same office. Willie was always happy and upbeat, despite all of the obstacles in his life. I remember him and Mike running around on those little orange scooters acting like teenagers, his love of horses and his love for his family. Willie was always a joy to be around and we hope you know you can call on us if there’s anything we can do for you. We’re still here in LaPlata. Again, our most sincere condolences on the loss of such a fine man.*
