“ *To Andrew and the Burroughs Family,*

I am so very sorry to hear of Rosa Mae's passing. She was one of the Lord's bright lights, with a warm heart, a huge smile, and a booming laugh. She touched many lives and, through her care and concern, made them better. My own life is certainly richer for having known her. My deepest condolences during this difficult time.

“ *The LeMense family is heartbroken to hear of Rosa Mae's passing. She was a gift to all who knew her, with an infectious laugh and a smile that brightened every room she was in. So many of my childhood memories feature her. Blessings and my deepest condolences to Andrew and the rest of Rose's family.*

“ *To Andrew and the Burroughs Family,
I can't tell you how sad I was to learn of Rose's passing today. She was an indelible part of my childhood, and I have so many fond memories of her. We were very blessed as the LeMense family to have her help guide us through grade school, high school, and beyond. She was close by when my father died, and was incredibly supportive of my mom at that terribly difficult time. She was always SO PROUD of Andrew and all that he has accomplished, and she had the sunniest disposition, and the most infectious laugh. Just seeing her face again with this post makes me smile and cry at the same time. God Bless You and Keep You, Rosa Mae! You have touched my life, and I will always remember you with love, and have the deepest appreciation for the gift of your life intersecting with mine.*

*With my deepest condolences,
Julie LeMense Crispin*

“ To the Burroughs Family:

I would like to share my "DEEPEST CONDOLENCES" to you on the passing of your loved one. I've known Ms. Rose for a quite sometime now. I met her riding on the bingo van with Sheila Newsome years ago - not only did we go to "Daily Double" which is now called "Delta Bingo" we also went to The big bingo in West Virginia. A few years later Ms. Rose and I started riding on the van with Darrell Stanley. But nothing changed she still was Ms. Rose. I must say Ms. Rose had a very sharp mind and could remember back when she was young as if it was yesterday. She would say to me oh Charmain

be quiet you don't know nothing about that - you won't even born - and we all just laughed. She always had some funny jokes to tell as we rode back and forth to bingo. I use to love hearing her say what she had cooked for breakfast and dinner - it was like she enjoyed being in her kitchen (she would always say and boy it was good)! I could go on to say more but I'll end by saying - family I now you'll miss her and so do we "her bingo family"!!! I'll send this message not only for me - but for my Sisters (Ann & Niecey) whom Ms. Rose knew and would ask about from time to time. And those from the bingo hall and the vans that would love to send something but might not be able to do so.

Family stay strong and RIP Ms. Rose!!!
