“ To the family of Mrs Roseann Baker, as we greave our love fall me our Creator always gives hope for his Creations, I am very sorry for your loss. The giver of life always gives hope of life to his human creation. The hope for all in the memorial tomb is the resurrection. Which we have been given proof of, Lazarus and many others were r resurrected back to life and walked about, another one was Jesus Christ. After four days Lazarus was told to (.....“come on out” and the man who had been dead came out.....”).John11:43,44 Jesus was resurrected after three days. The hope of life is the resurrection,which brings much joy.
