“ Ruby, you no longer have to be bound by the limitations of your earthly body but you are now free in the presence of our Heavenly Father. Yes, all of your family and friends will miss your presence here with us, but those in Christ will see you again. That is the hope that we all have, to be in the presence of the Lord for eternity and to see our loved ones again. I pray for your family and all those who mourn, there is hope in Christ. Holy Spirit, please comfort all hearts who need comforting during this time and lead those to You that need salvation....Phyllis Brown
