“ *My condolences to the family. Sandy and I met at ULLICO in the 90's and we bonded right away. We talked here and there over the years, then around 2018 our paths crossed again when she worked in Silver Spring and we reconnected as if time had never passed. We met for lunch on several occasions and had a good time laughing and talking about old times, our kids and just catching up. Sandy was a beautiful spirit and she will be missed. I'm glad God made it possible for our paths to cross. May you Rest In Peace.*
