“ Sandra and I became friends when I started working for Animal Control year ago. She was a sister to me and helped me whenever I was down or having difficulties. She was a light that keep me going no matter what. We supported each other through thick and thin and to this day I have missed our fun times together. I will always remember the times when she didn't want to go shopping to get gifts for Christmas and I would do the shopping for her. We would go out to the store on our lunch and almost always come back late because of taking our time to shop. She was always on my mind and in my prayers. I will always miss her. Sandra is now at peace and is no longer suffering. She is with God and is spending time with her loved ones who passed away before her.

Ashley and Donald "Worm", remember your mom was an exceptional person. She would have given her life for you. Keep your spirits up and remember she is with God and can watch over you and your family. My condolences go out to you and everyone else in your family.

“ Sandra was a wonderful friend to me. We worked together at the Animal shelter for many years. We would have a cup of coffee in the morning when I would work the early shift. When I came in n the afternoon I would always stop and say hello before my shift would begin . I retired about 3 years ago but we always stayed in close contact. I will really miss you Sandra may you rest in peace. Love Frances Brooks.
