“ *My surrogate aunt, I remember those ladies nights. I was just telling someone how much they meant to me being a young parent raising a daughter. You will truly be missed. Thanks for everything.*

“ My dear friend and sister. I'm still somewhat overwhelmed with disbelief. Not questioning the Lord's work because I know this was part of His plan. I will continue to reminisce on the good old days and the good times we've shared. I've always said, you were what a true friend looks like. In my darkest and most difficult moments, you were always there and I will continuously be forever grateful. I will continue to reflect on the memories and hold them close to my heart. I will miss your joyful spirit and loving laughter. Until we meet again, rest in the arms of our Heavenly Father, my sweet Sandra. Loads of Love, Brenda

I would to say how much I love this Ladies. We have a lot of secrets and memories that we will to our grave. We had a Special Friendship, I hate to say that was not kept up once she left me here (DC Department of Corrections). However she have a heart of goal, and will forgive me for not keeping in touch. I love you, and my heart goes out to the kids and grandkids. Your Special Friend Captain Nora Talley

My confidante, my friend, my laughing partner, my little sister and most assuredly together our love for Christ. I still look for you to say hey baby girl with a big smile on your face when I come in the room. I could say so much about you and still would not do it justice, I miss you now, but I know you are not far, but just away for now, so until we meet again, remember to say "hey baby girl" when I see you again.
