“ I remember all the love and caring my mother has given me all of my life. So many memories. I will always remember the time we danced in her room to an old 70's band that she loved. This was just last year. She out-danced me. I was tired before she was. She wanted to keep on dancing...Well Ma...keep on dancing. I love you so much. So so much. We'll dance together again mother. You son with love ~ Melvin
