

## Ms. Sharon A. Powell

November 27, 1956 - June 11, 2023

Sharon Anntoinette Powell was born on November 27, 1956, to the late Joseph and Susie Powell, the sixth of eight children, in Washington, DC. She was raised on Capitol Hill in a home filled with singing, laughter, the love of God and each other. She developed and displayed many talents from an early age. Sharon learned to play the piano, sing (family pastime) and sew; just to name a few. Those talents were put to work by singing and playing at school and in church choirs. During her downtime, she would sew many items of clothing for herself and others. Sharon attended Eastern High School from 1971-1974 and graduated with honors and a scholarship in Computer Science. She attended the University of the District of Columbia, majoring in English. Having a thirst for God and seeking His wisdom, Sharon attended Lancaster Bible College from 2012-2015 and earned a Bachelor of Science degree in Bible. She always believed a person was never too old to learn or get an education. She was a lover of books and an avid reader. Receiving Jesus as her personal Savior in 1984, Sharon served in several ministerial capacities including Administrative Assistant, Choir Director, New Members Class Instructor and Lead over the Single Parents Ministry at various churches in Florida and the DC- Metropolitan area. She understood the principles of tithing and demonstrated the love of God by sowing into the kingdom and supporting many charitable organizations, including James and Betty Robison's Life Outreach Ministries for over 30 years. This ministry was responsible for building life

sustaining water wells for impoverished African villages. She also exemplified the fruits of the spirit in a personal way by sponsoring a child in Tanzania, Africa for more than 10 years that effectively changed the trajectory of his life.

Sharon worked in the private sector for over 40 years. She served as a Legal Secretary and an

Office Manager at Family Life Institute in Ft. Lauderdale, FL. She served in various administrative positions at KPMG, KPMG Consulting, Bearing Point and Deloitte. It was her

time management and organizational skills that made her an exceptional employee.

Besides work and ministry duties, Sharon enjoyed spending time with her children, grandchildren, extended family as well as the friends she met along the way at different churches

and places of employment. She prided herself on being the entertainment queen, always making

sure that every detail was perfect when she invited you into her home.

Unfortunately, in February 2021 Sharon was diagnosed with Lou Gehrig's disease, better known

as ALS. The disease manifested at a rapid pace, forcing her into early retirement. Despite the

numerous doctor and hospital visits, she remained positive, hopeful, and stood firm on God's

word for healing. Eventually, she was unable to live on her own and took residency at a nursing

home. Sharon put up a good fight and lived for 2 ½ years when the experts gave her six months.

Listening to scriptures, sermons, and worship music; the presence of God was always with her.

Her favorite song was Because He Lives. She enjoyed visits from her family, friends, and church

family. Despite being in a weakened state, she always found the strength to smile for pictures.

On June 11, 2023, after a visit from her children at the hospital, Sharon took her trip to heaven

and entered eternal rest. She is survived by her loving daughters Shardonía (Mallya) and Alicia

(Darius), sons Aubrey II and André; grandchildren Anthony, Aiyanna, Amiya, Glory,

Aaliyah,

Apollo, Alexandria, Kobe, Kai; and her wonderful niece Suzette (Malcolm). She is proceeded in

death by her parents and brother Enoch. Leaving behind to celebrate her life are five sisters and

one brother, a host of nieces and nephews, cousins, her special daughter Ivy, good friends Cheryle, Cynthia, Jackie and many more friends. Sharon loved God, life, and others!

“ Sisters by Heart. We've shared so much laughter, shared so many tears. We had a spiritual bond that grew stronger each year. We are not sisters by birth, but we knew from the start, God put us together to be Sisters by Heart. You will always be in my heart, my sister friend. Love Cheryle Pitt

“ Sharon was an elegant lady who loved the Lord, loved to cook, kept a beautiful home and opened the doors of that home and her heart to anyone who needed them. She will be missed and I pray for continued peace and comfort for her family at this time of transition. 🙏❤️🌸
