“ I would like to start by sending my condolences to Sharon’s family. I met her over five years ago at a job where I only worked a few months with her. But we remained in contact every Sunday up until a few days before she left this earth. She was a sweet person and the encouraging words she sent me each week were always right on time as I often told her. I pray that she’s at rest now.

“ Sharon is my first cousin. We didn't grow up together, but once we reconnected, Sharon remained faithful. She always sent cards for Christmas and most Holidays. She sent encouraging words on Sundays. Many times as I went through struggles or had hard days, her words of encouragement gave me a peace of knowing that God cares and so did she. I am going to miss you, my faithful cousin. Rest in peace! Until we meet again.

“ My condolences to the Sharon Williams Family during your loss. Sharon will be missed and remembered. I met in 2004, Sharon while I was looking for a house to buy. She was looking out the window and ask me was I looking to buy that house, and I said maybe. Because of her kindness and the view from the park in front of the house, I bought that house. After, moving in Sharon had me and another neighbor going out to eat and to Tyler Perry's plays. Every time Tyler Perry would come to town, she would buy the tickets without even asking us. LOL. Sharon, I love you and I will always remember you. Helen and the Hargrove family.

Deepest sympathy to Sharon's family as I know she is and will be solely missed by you and her many friends alike. She was a kind and considerate person; enjoyed spending time with her friends out eating, going to the movies, and other events as they came up. Please take refuge in our Lord as you're working your way through this sad time knowing that she's absent from the body, but present with our Lord. ----

To Sharon's family. I'm praying for your strength and peace during this difficult time. I've worked with Sharon on and off for last 10 yrs. and Sharon was a force to be reckoned with, my goodness she didn't get angry that often but when she did - you knew it and you knew she wasn't playing either. Thanks goodness I stayed on her good side. I remember whenever we would have a holiday party she would make her famous sweet potato souffle with pecans..Mmm Mmm good. Just know that she is loved, missed and will never ne forgotten. She was a wonderful woman.
